

# *Welcome to the amazing world of Glass Mosaics*

## *DIY Kits catalogue*

Mosaic is an art which is particularly relaxing and therapeutic. We have designed 'Do it Yourself' starter kits for anyone who would like to pursue mosaic as a hobby.

You do not need any particular skill to be able to make these pieces, and the satisfaction of creation is immense ! These kits contain everything needed to make the mosaic, including precut glass pieces !

These kits make wonderful gifts for elders as well as youngsters. If you wish to gift them, we will be delighted to ship them on your behalf !

You can see most of our designs in this catalogue.....

*We also teach stained glass mosaic art in our studio.*
